In Driving in this Event I understand that traveling off-road entails some inherent risks. These risks occur as a result of traveling on rugged, and off camber terrain, forces of nature, and conduct of persons not affiliated with the event sponsors. As a result of these conditions, there is a potential for harm to you and your vehicle or others. The event sponsors do not assume any liability for the event participants and their actions. Your insurance may not compensate for any losses due to the nature of your activities. Medical services or facilities may not be readily accessible during some or all of the time in which you are participating in an event arranged by the Event Sponsors. As a participant, you are solely responsible for judging your own qualifications, actions and safety during any of the activities in which you choose to participate. As a participant, you agree to this waiver and the following the rules/regulations of the event No Harassing Judges or event staff.
